Power On/Off

1. The earbuds will automatically power on when open the charging case cover andwill power off when close the charging case cover.

2. To manually power on, tap and hold the button for 5 seconds. to manually power off, tap and hold the button for 4 seconds under disconnected
   mode: if at music mode, no manual power off (to avoid mis-touch).

3. Automatic power off: The earbuds will turn off automatically after 180 seconds if they have not paired with any device via Bluetooth. When in low battery, they will power off automatically as well.

Bluetooth Pairing with your Device

1. Open the case, both earbuds flash blue then the master earbud flashes red & blue alternately, slave earbud lights off.

2. Then select 'PBL Vision Buds' from your device's Bluetooth list to get paired. A 'dong dong' sound indicates a successful connection.

How to Reset if the Earbuds Malfunctions

1. First clear the paired name on the mobile phone;

2. Click both earbuds 4 times within 10 seconds. The blue lights on both earbuds will flash four times to re-enter pairing mode and complete a factory reset.

3. Put the earbuds into the charging case and close the cover. Then open the cover to start Bluetooth pairing again, please refer to the above "Bluetooth Pairing"

Safety Precaution

1. Do not expose earbuds to extreme temperatures.

2. Do not modify the product. Doing so voids the warranty and may cause injury or malfunction.

3. Do not immerse in water.

4. Clean the earbuds with a mild antiseptic. Avoid using alcohol-based disinfectants.

5. Keep connectors clean to maintain audio quality.

6. Set volume to minimum before use, then adjust gradually.

7. Stop using if you experience irritation, rash, discharge, or discomfort.

8. Avoid use in situations where you must hear your surroundings (e.g., driving, cycling).

Caution

- Replacing the charging case or earbuds with incompatible parts can disable safety features.

- Do not dispose of batteries in fire or expose them to high heat.

- Avoid crushing or cutting the battery.

- Storing in high temperatures may cause explosion or leakage.
